

Light gates workshop!

A make and take workshop from the Institute of Physics Teacher Network and more.

Thursday 11 June 2009

[Llanishen High School](#), Heol Hir, Llanishen, Cardiff CF14 5YL

Make a set of light gates from Windows computer mice. These plug straight into a computer and allow students to time events with the minimum of fuss. All the equipment is provided FREE for each teacher to make light gates. If you want to make more then bring along any old computer mice that your ICT dept no longer wants. The workshop will begin at 4.30pm – 6.30pm.

VISIT TO MEDICAL PHYSICS DEPARTMENT

Tuesday 7 July 2009

[University of Wales Hospital](#), Heath Park, Cardiff CF14 4XW

Teaching any options in Medical Imaging for the first time? This workshop will give teachers an opportunity to see Scanners in action - meet radiographers and ask questions. Places are limited. The workshop will begin at 10am – 3pm.

Booking is essential due to parts needing to be ordered. To book a place e-mail cerian@angharad.fslife.co.uk or call 07870351212.

To find out more about the IOP Teacher Network go to http://www.iop.org/activity/education/Teacher_Support/Teachers_Network/page_2574.html
